- All golfers, residents and non-residents, can make tee times ten days in advance for every day of the week.
- A golfer may make tee times for two groups as long as they fill the groups.
- Two tee times must be made two hours and twenty minutes apart for 18 hole play.
- Golfers calling in for tee times may be refused future time without pre-payment if they fail to show or fill their groups beforehand. The golf course reserves the right to fill open spots in the tee time.
